BEFORE & AFTER SCHOOL CARE

Join our Youth Development Team for a safe, fun and exciting after school experience at the Michiana Family YMCA. We understand that parents today are working hard to provide for their families. That's why we provide kids, in kindergarten through Grade 8, a safe and fun place to find nurturing care outside of school hours (2:30pm - 6pm).

Before And After School Program Objectives

- Grow Personally
- Build Character
- Appreciate Diversity
- Develop Specific Skills
- Have Fun!

Activities Offered In The Before And After School Setting

Snack — a light snack is offered in the afternoon

Homework Support — Our Before and After School Program is a recreation-based program that compliments school day. We recognize the need to support parents and their desire for children to have time to work on their homework. An educational alternative will be offered for children who do not want or need to work on their homework.

Group Activities — Children in Before and After School are given the opportunity to participate in a group activity each day. We provide both small and large group activities.

Child Choice — School-age children must be given the opportunity to choose or be a part of the planning of the daily program activities. We work with your children to plan several meaningful activities that the children can choose to participate in. Children always have the right to pass (everyday.)

Free Choice — School-age children need an opportunity to "hang-out." This can be accomplished during outside time and through interest centers.
